

SureColor SC-S80600L

Designed with creativity in mind, offers impressive print quality with a 10-colour inkset, using economical 1.5-litre ink pouches¹.

Create everything from simple signage to high-end displays and décor on a range of substrates. The SC-S80600L offers the user enhanced reliability, productivity and media flexibility. Epson's bulk ink solution, with 1.5-litre ink pouches, ensures reduced downtime, convenience, and lower ink costs. As with all signage printers in the range, they're low-maintenance, highly reliable and easy to use.

Flexibility

Print on a wide range of substrates and finishes, including: clear film, vinyl, canvas, wallpaper and photographic paper. Achieve eye-catching print quality thanks to Epson's Precision Dot Mode and expanded colour gamut, by using 10 colours, including white and metallic.

Low TCO

Reduce print costs with Epson's bulk ink solution (large capacity 1.5-litre ink pouches) and minimise user intervention with automated head-cleaning for longer uninterrupted print runs. Maintain accurate print costing with the LFP Accounting Tool.

Productivity

Users will benefit from ease of use, low maintenance, and fast print speeds with no loss of quality. Productivity is also enhanced by using Epson Edge Print Software, Epson Edge Control Dashboard and access to over 250 ICC profiles.

Reliability

All components are manufactured by Epson for consistently high-quality construction and durability. The SC-S80600L also features automated head maintenance and the ink mist collection system to further reduce downtime. All printers include a two year standard warranty, with extended warranty options available.

KEY FEATURES

- **Epson's bulk ink solution**
Convenient 1.5-litre ink pouches reduce downtime and lower ink costs
- **Superior-quality results**
PrecisionCore TFP printheads and UltraChrome GS3 inks
