WIDSETH

LucidLink for AEC

Stream files instantly

Open CAD, BIM, GIS and more without VPNs or download delays.

Cut IT costs

Replace servers, VPNs and storage sprawl with cloud scale.

Prevent overwrites

Native windows file locking plus full Revit central model support.

Secure every file

Built-in zero-knowledge security model and centralized access control.

By the numbers

**90% faster file
access vs VPN**

**30% average
savings vs
on-prem storage**

**6-figure VDI
costs eliminated**

Enterprise-grade security & governance
